SUFFOCATED IN A FIRE IN A SMALL FORT WAYNE HOUSE.

Husband and Father Found Their Bodies at the Undertaker's Rooms When He Returned from Work.

OTHER FATALITIES IN INDIANA

LEGAL TANGLE GROWS FROM A HAGERSTOWN MEDICAL CASE.

Charles Dunn Twice Indicted at Fort Wayne-Gov. Mount's Grave-Fiendish Cruelty Shown to a Horse.

Special to the Indianapolis Journal. FORT WAYNE, Ind., Sept. 17 .- Mrs. John M. Brown, wife of a sewer worker, and her two-year-old babe suffocated at 4 o'clock this afternoon in a small frame structure on the corner of Columbia avenue and Clay street. The mother was twenty-one years old last month. She had recently moved developed over a case of alleged scarlet here from Decatur, where she was married fever. Dr. N. F. Canaday, who is health loss is fully covered by insurance. three years ago, her maiden name being Eva Ellen Smith. Her husband was not child sick with a disease which the doctors notified of his grievous loss until he returned from work, and then the neighbors were unable to do more, it seems, than to decided to call another physician. Accordrefer him to the undertaker's.

"Go to the morgue," one said, "and you

in a faint from the shock. In conversadark garret immediately under the roof went indiscriminately. The scarlet fever and badly infected with vermin. It is presumed she had used gasoline for cleaning purposes and attempted to light a candle or a lamp for a better light. The fumes caused an explosion and set the house on

Her babe was with her when the firemen arrived, the little body was found lying across her breast, both being on the floor. Their bodies were badly burned. There were rumors at first of murder, but the husband's explanation of her presence in the bedroom relieves the horrible affair of that suspicion.

Lockjaw Fatal, After an Accident. Special to the Indianapolis Journal.

MUNCIE, Ind., Sept. 17 .- The death of Earl Lockwood, aged twenty-one, occurred to-night after weeks of suffering from the between two cylinders and badly crushed. An effort was made to save the hand, but he grew steadily worse from the beginning; brain fever was added to the other complications, then lockjaw followed, caus- change of front in the case, and declare ing his death.

Machinist Killed at Elwood.

Special to the Indianapolis Journal. ELWOOD, Ind., Sept. 17 .- Fred Cook, a machinist in the blacksmith department of the plate glass factory, was fatally hurt. INSTITUTE WORKERS' CONFERENCE. to-day, while on a ladder twenty feet in the air, repairing shafting. Some waste in whirled around at least twenty-five times before the machinery bould be stopped. Both legs and several ribs were broken, besides internal injuries suffered. He died an hour later.

Pierced by White-Hot Iron.

Special to the Indianapolis Journal. MUNCIE, Ind., Sept. 17.-To-night at the American rolling mill G. W. Mahoney was caught by a heavy piece of white-hot iron testines. He was otherwise burned and injured in a sickening manner, and is not

DUNN TWICE INDICTED.

expected to recover.

Two Murders Charged to Him by Allen County Grand Jury.

Special to the Indianapolis Journal. FORT WAYNE, Ind., Sept. 17 .- Charles Dunn was indicted by the grand jury today for the murder of little Alice Cothrell at Wallen last July. This crime was committed under the impulse of lust, and at the time charges were made by neighbors of Dunn that, about a year before, he had caused the ruin of Elizabeth Weisell, a feeble-minded girl who had served as a domestic in his family, and that he had caused an operation to be performed which caused the girl's death. The grand jury in-

Second Suicide in the Family.

dicted Dunn for this crime also.

Special to the Indianapolis Journal. Brashears committed suicide at Bicknell, last night. His body was found to-day in his room at the Commercial Hotel. He had fired a pistol ball into his brain. No cause is known for the taking of his life. His brother Edward committed suicide two

PRODUCTION FALLS OFF.

Wells in a Hartford City Locality

Yield Much Less Oil. HARTFORD CITY, Ind., Sept. 17 .- The town-lot oil field in the Rife addition bordering on the city limits is very nearly drilled on every lot. In nearly every instance a paying well was found and the rigs were almost as thick as trees in a for-Being so close together and worked for their product night and day has had spirit of anarchy. All charters are to be a telling effect and the production has fallen off to an alarming extent. The Cincinnati Oil Company last March had a monthly production of more than 5,000 barrels, while to-day the output from the same wells is less than one-fourth that amount. Wells operated in the town-lot addition, that were then fine producers, have since been plugged and abandoned. This decline is noticed only in this locality.

Oil Struck at Bremen.

Special to the Indianapolis Journal. VALPARAISO, Ind., Sept. 17 .- Oil was struck yesterday at a depth of 400 feet at Bremen. The Bremen Oil Company, after two former attempts for natural gas, has succeeded in striking oil. It drilled the previous well to a depth of 1,250 feet, the ast hundred feet being in Trenton rock. Being unsuccessful, a third attempt was made near the fair grounds, with marked

PURDUE'S MEMORIAL TRIBUTE.

Success.

Elaborate Exercises to Be Held in Honor of the Late President.

Special to the Indianapolis Journal. LAFAYETTE, Ind., Sept. 17 .- Purdue University will be closed all day Thursday, in respect to the memory of the late President McKinley. Memorial services will be held in the morning in the chapel by the members of the faculty and the student body. Dr. John P. Hale, of the Second Presbyterian Church, will take part and will deliver an appropriate address. Miss Elizabeth Milspaugh, of the Purdue school hers of the faculty will participate in paying tribute to the memory of the deceased statesman. The meeting will be in charge of President W. E. Stone. The exercises will be simple but solemn, and it is believed every sutdent will take part.

Other Memorials Planned.

TERRE HAUTE .- Plans for a McKinley memorial meeting for Thursday afternoon, to be participated in by the city and county government, the churches, clubs and all the arganized bodies of the city, including all in raised seven-inch letters the name died sudden here to-day.

the labor unions, have been completed. The chools will hold special memorial services on Wednesday afternoon. The meeting on Thursday will be preceded by a parade of all organizations. The action of the local union of the glass blowers looking to a monument fund to be raised from union labor sources throughout the country has been indersed by all other local unions of

MUNCIE.-Mayor Tubey has issued a proclamation asking that business be entirely suspended on Thursday afternoon, conducted in the Auditorium. R. S. Gregory and Judge Leffler, representing the two olitical parties, will be the chief speakers. They were selected by the Delaware County Bar Association Tuesday afternoon. Several of the factories will shut down. LAFAYETTE.-Mayor Noah Justice has

issued a proclamation designating Thursday afternoon as a day of prayer. Memorial services will be held in the principal thurches at 3 p. m., and will be addressed by the most eloquent speakers in the city. Many of the principal business houses are draped in black. BEDFORD .- The citizens of Bedford met at the courthouse Tuesday night to perfect

arrangements for suitable memorial services of all her citizens on Thursday in honor of the burial of the late President William McKinley. Judge W. H. Martin

made to observe Thursday as a general memorial day in Portland. Religious services will be held and all of the county offices will be closed the greater part of the day.

ALLEGED SCARLET FEVER CASE

Has Caused a Peculiar Legal and Med-

ical Tangle at Hagerstown.

Special to the Indianapolis Journal. HAGERSTOWN, Ind., Sept. 17 .- A case full of interest to local authorities and all citizens, and medical men, especially, has officer for the town, was called to treat a pronounced scarlet fever. At the end of a week the child was worse, and the parents sician, was called. He said the child did not have scarlet fever, but cholera infantum and acute Bright's disease. He changed There he walked in to find the under- i the treatment, but the child rapidly became taker at work on the bodies, and then fell worse, and two days afterward died. Dr. Canaday had quarantined the house, put up a scarlet fever card, and observed all tion with a Journal reporter he said his lawful precautions to prevent the spread wife had been hired by a man who slept in of the disease. When Dr. Stottlemyer took charge the neighbors no longer observed

the required precautions, and came and card was taken down, by whom is not known, and the public came and went as in a case of ordinary disease. Dr. Canaday, as health officer, must issue burial permits for all cases in his jurisdiction, and he refused to issue a certificate on the return made out by Dr. Stottlemyer for the reasn, as he stated, that it did not correctly describe the disease with which the child died. There was much controversy before the burial permit was finally issued. After the burial Dr. Canaday invoked the aid of the law to straighten out the tangle, and Prosecutor Bond came over from Richmond and caused the arrest of Dr. Stottlemyer on the charge of taking down a warning card from an infected house. The trial was set for Tuesday, but the prosecuting attorney sent word last night to the justice of the peace to nolle

the case, as he did not think there was anything to justify prosecution. The justice of the peace, M. W. Grills, refuses to effects of an accident which resulted in follow the suggestion of the prosecuting blood poison and lockjaw. CRAWFORDSVILLE, Ind., Sept. 17. of music, will sing a solo, and other mem- At present the only designating mark at the grave of Governor Mount is a footstone inscribed "James A. Mount, 1843-1901." Before Mrs. Mount left for Syria, however, she contracted for a handsome monument to be erected at the grave. This stone probably will not be in position before next May, but when set up will be one of the handsomest monuments at Oak Hill. The design selected is of a heavy sarcophagus, the base being seven feet long and live feet wide, the monument when completed to stand about ten feet tall. On the dle, or centerpiece, will be carved

'Mount." At each corner of the die will be a massive pillar, and the entire monument will be handsomely carved.

Important Gas Franchise Granted.

Special to the Indianapolis Journal. ELWOOD, Ind., Sept. 17 .- At the session of the City Council last night the Elwood Natural Gas and Oil Company and the Citizens' Gas and Mining Company, owned by the same people and controlling the gas when a McKinley memorial service will be situation in Elwood, were granted franchises to build artificial gas plants and pipe the product through the present mains. Coming, as it does, just at the time when extensive advances in the price of gas are to be made, the granting of the franchises, which were tabled by the Council when asked for in October, 1898, has caused a great deal of comment. Dr. M. L. Ploughe, Republican member of the Council, made a bitter fight against giving away the franchise, but it was unavailing.

Fearful Cruelty to a Horse.

Special to the Indianapolis Journal. More than sixty delegates to the Supreme Lodge of the Knights and Ladies of Honor, representing thirty-eight States, assembled at Detroit yesterday, beginning the thirteenth biennial session of that body. Supreme Protector L. B. Lockard, of Toledo, presided. After adopting a suitable memorial on the death of the late President McKinley the lodge adjourned until to-It is possible that he will be succeeded at morrow morning, when officers will be

United States Attorney Speed, of Oklahoma, has received from the Interior Department a ruling relative to persons filing mineral claims on Indian allotments in the country recently opened to settlement in Oklahoma. The secretary holds that only by the consent of the allottee can mineral claims be filed, and that it is impossible by any means to secure possession of allotments. This ruling will expel 5,000 mineral prospectors from Indian lands.

The meat handlers employed by Chicago beef packing firms in loading foreign steamers at Boston have struck and have submitted a list of rules and schedule of wages which they demand shall be put into effect by their employers. The men complain that they are not allowed any time for meals and are not paid for overtime work on Sundays and holidays. The firms affected are Armour & Co., Cudahy & Co., Hammond & Co., Swift & Co. and Nelson

Suspicion points very strongly toward half-breed as the perpetrator of the crime. He has been in love with the girl for some time, but she did not return his affection. An inquest showed that the girl had been assaulted and then murdered, her throat

being cut, while the skulls of the younger children had been crushed. LETTER FROM PEARY.

North Pole on Aug. 29. WASHINGTON, Sept. 17. - Charles A. Moore, a prominent business man of New York city, has received a letter from Lieut. Robert E. Peary, the Arctic explorer, who is his personal friend. Mr. Moore, who was to the Pacific slope, was in Washington to-Lieutenant Peary's letter, dated Aug. 29, was handed to Mr. Moore at his New York office yesterday by H. L. Bridgman, secretary of the Peary Arctic Club, of New York, who had brought it direct from Lieutenant Peary. The letter is dated "Payer Harbor, Eliesmere Land, Aug. 29, 1991." It concludes as follows:

"I have heard of your trip West with Mrs. Moore and the President. I am still hammering away at my object, getting ome hard knocks, doing some work that ill endure longer than I, yet still short of my goal. But my grip is still good and l have a year before me, and I have yet to experience the dire feeling of discourage.

Mr. Moore also has at hand a letter renight for the first time, and were in the companied Peary on his former trip to the Jamison continue well pleased with the dition on his own account on the chartered steam whaler Algerine. Nine Yale students, including young McCormick, the son of the newly-appointed minister to Austria, were in his party.
